## LETTER OF RECOMMENDATION FOR **ZOEY LEE**

To whom it may concern:

As Co-Founder and Head of Product at Hyper, it is my pleasure to recommend our employee and beloved team-member Zoey to you. Her performance working as a video editor for our critically-acclaimed video magazine Hyper (Best Apps of 2016 - Apple) proved that she will be a valuable addition to any company or team.

Given Zoey's background as a talented young filmmaker, she was the perfect addition to our team of Editors, where she created high-quality supercuts of all the video content featured on Hyper. From day one, Zoey showed great responsibility, reliability and passion and always delivered the highest quality work.

If it weren't for high-level strategic changes that require us to restructure our company, we would have loved to continue working with Zoey. We thank her for her excellent work at all times, and we wish Zoey continued success for her future endeavors, and the very best for her career and personal life.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me. Sincerely,

Jonas Brandau
